Enjoy the lush nature of rural villages, fresh air,
and beautiful seasonal flowers reminiscent of Japan's nostalgic landscapes.

In the plains of Tonami City, villages with scattered residences surrounded by groves of windbreaking trees lines are prevalent. In spring, the water-filled rice fields glisten like mirrors, creating enchanting twilight views. Throughout the city, tulips, irises, cosmos, and other seasonal flowers bloom year-round, and events celebrating these flowers are held. The pure flow of the Shogawa River weaves a beautiful landscape that captivates visitors' hearts.
